Portofolio Rhiziqo Adjie Syahputra

PROFILE

An energetic individual in the field of Informatics, Web Development, Frontend Development, Backend Development, UI/UX Design, Data Analytics, and System Analysis with good ability to utilize various programming languages and tools such as Python, Java, JavaScript, PHP, SQL, MySQL, PostgreSQL, React, Laravel, Tableau, Power BI, Figma and GitHub. During academic studies and work experiences, I have developed skills in web development, data analysis and visualization, database management, and creating responsive and user-friendly interfaces. Great communication, task and project management, and also a team-player. Looking forward to any challenges and opportunities to constantly learn and grow.

EDUCATION

SMAN 1 Waru Sidoarjo 2018 - 2021
Mathematics & Natural Science (MIPA)

UPN Veteran Jawa Timur 2021 - 2026
Bachelor Degree (S1) Informatics
• GPA : 3.47 out of 4

WORK EXPERIENCE

MSIB Batch 5 (Secure Programming With Devsecops) August 2023 - Dec 2023
PT. Sinergi Transformasi Digital

- Develop OOP-based applications using the Spring Boot Microservices architecture.
- Conduct testing and identify security vulnerabilities in the code.
- Manage CI/CD pipelines to support efficient and automated deployment processes.
- Continuously evaluate and improve code quality and system security.

MSIB Batch 6 (UI UX Specialist Industry) Feb 2024 - June 2024
PT. Stechoq Robotika Indonesia

- Design the UI/UX of web applications based on user needs and business objectives.
- Create wireframes, mockups, and prototypes using design tools for application flows.
- Collaborate with developers and stakeholders to ensure design and implementation alignment.
- Evaluate and iterate designs based on user feedback.

Entry Data Feb 2024 - Mar 2024
Partai Nasdem

- Input and manage data accurately and systematically.
- Prepare simple and structured data reports for team analysis.
- Manage and update databases regularly.

Bussiness Intelgence Intern Mar 2025 - June 2025
PT. Serasi Autoraya

- Spearheaded the development of a Power BI dashboard to monitor business performance and visualize key metrics for data-driven decision-making.
- Conducted requirement-gathering sessions to identify business needs and define Key Performance Indicators (KPIs).
- Managed Go-Live coordination by supporting deployment activities, validating dashboard functionality, resolving issues, and ensuring a smooth implementation process.

ORGANIZATION EXPERIENCE

PKKMB Mosaik Fakultas Ilmu Komputer 2023 (Equipment Division) July 2023 - August 2023

- Prepare and ensure the availability of event equipment according to activity requirements.
- Check and record equipment before and after the event.
- Coordinate with other divisions to ensure the smooth running of the event.

SKILLS

Skills: Critical Thinking, Good Communication, Teamwork, Public Speaking, Problem Solving

Software: Microsoft Word, Microsoft Excel, Microsoft Powerpoint, Documents, Spreadsheets, Canva, Aobe Photoshop, Figma, Visual Studi Code, Laragon, Xampp

Programming & Technologies: Python, Java, JavaScript, PHP, HTML, CSS, SQL, MySQL, PostgreSQL, React, Laravel, CodeIgniter, Git, REST API, Linux, Power BI, Tableau, Pandas, Matplotlib.

CERTIFICATES

- MSIB Batch 5 PT Sinergi Transformasi Digital (Secure Programming With Devsecops) 2023
- MSIB Batch 6 PT Stechoq Robotika Indonesia (UI UX Specialist Industry) 2024
- Bussiness Intelgence Intern PT Serasi Autoraya 2025
- Lembaga Sertifikasi Profesi (Junior Web Programming) 2025
- Toefl ITP Score 557 2026
- Fundamental Of Data Analysis 2026
